Notes:

Includes only respondents who provide patient care and who indicated "yes" to at least one part of the question.

Excludes all responses of "no" and "not applicable", as well as those who did not respond to any part of the question.

Column totals may exceed 100% as this question allowed for multiple responses.

NR=No Response.

The responding sample (size: n) has been weighted to represent the population (size: N). Further detail available at www.nationalphysiciansurvey.ca.

**Responses suppressed when column n is less than 30.
