Notes:

Includes only respondents who provide patient care.

Results for patients with specific conditions were aggregated given the complexity and variability of responses

Column totals may exceed 100% as this question allowed for multiple responses.

NR=No Response.

The responding sample (size: n) has been weighted to represent the population (size: N). Further detail available at www.nationalphysiciansurvey.ca .

**Responses suppressed when column n is less than 30.
